Parents:

As parent/guardian of my son/daughter, I give my youth permission to participate in the 2010 Catholic Steubenville High School Conference. I understand that a \$75.00 non-refundable deposit is due with the form. I understand that I am responsible for the entire \$300.00 due in April. I understand that fundraising opportunities will exist for my youth to try and raise some on the monies owed towards the total \$300.00. I understand that more information will be sent home, with full registration forms and permission forms once my youth is officially accepted. I understand there will be a parents meeting shortly before the trip to explain what my youth will be attending, and what to expect.
